ISLE OF ANGLESEY CHARITABLE TRUST	
COMMITTEE:	GENERAL GRANTS COMMITTEE
DATE:	8 JULY 2014
TITLE OF REPORT:	ANNUAL GRANTS 2014/15
PURPOSE OF REPORT:	OUTLINE APPLICATIONS
REPORT BY:	INTERIM HEAD OF FUNCTION (RESOURCES) / S151 OFFICER FOR THE ISLE OF ANGLESEY COUNTY COUNCIL
ACTION:	AGREE ON ALLOCATING GRANTS

1. In March this year, adverts were placed in the local press for grant applications from voluntary and other organisations. A standard application form is used for the Isle of Anglesey Charitable Trust and also the Anglesey Welsh Church Fund. The closing date for applications for the 2014/15 financial year was 9 May 2014.
2. When the applications are received by the Finance Service, they are processed and then passed on to the relevant services and directed to the relevant fund.
3. The purpose of this report is to consider those applications relevant to the Isle of Anglesey Charitable Trust. The other applications, that is applications to the Welsh Church Fund, will be considered by the Isle of Anglesey County Council and not by this Trust.
4. Allocations are made annually from this Committee to the following categories of projects:-
 - Community and Sporting Facilities (small capital projects)
 - Other Grants (mainly one-off small grants)
5. At its meeting on 24 June 2014, the Charitable Trust resolved to authorise this Committee to approve all those applications received by the deadline that comply with the Trust's funding criteria without prejudice to any determinations in future years and that part of the capital fund be utilised for this purpose should that be necessary. If this Committee wishes to consider the grants received after the deadline for applying had passed, a separate appendix is available during the meeting for inspection and consideration upon resolving to consider such applications. If this appendix is considered it will become Appendix Ch to this report. The appendix contains 5 applications, with recommendations totally £14,825.
6. The relevant officers from within the Isle of Anglesey County Council have considered and prioritised the applications received as far as possible and consistent with the Trust's decisions and criteria established in previous years. The officers' recommendations are shown in Appendices A and B of this report. A joint referencing system has been employed for both grants put forward to this Committee and for grant applications to the Welsh Church Fund; any gaps in the reference numbers will be due to those grants having been put forward to the Welsh Church Fund rather than this Trust.
7. These applications are considered in accordance to the 'Criteria for the Allocation of Grants from the Isle of Anglesey Charitable Trust', a copy of which is enclosed in Appendix C.

8. Appendix A deals with grants under the usual 'Community and Sporting Facilities' heading. The recommendations are to support eligible grants of 70% of accepted cost, subject to a maximum of £6,000. Appendix B deals with grants under the 'Small Grants' heading; the recommendations are to support eligible grants at a maximum of £1,000. These, in total, would cost £103,178 if officers' recommendations are followed.

The guidance states an upper limit of £6,000 for Community Facilities grants and £1,000 for small grants with an upper % limit of 80%. In its meeting of the 21 April 2011, the full Trust resolved to provide flexibility to this Committee to increase the upper limit and percentage rate of support in light of applications received.

9. Appendix B deals with other grants, including areas allied to social care.
10. Following the above recommendations would spend a total of £103,178.

CHARITABLE TRUST**

including specific requirements for grants towards capital works and community facilities

1. ELIGIBLE CATEGORIES FOR RECEIPT OF GRANT AND CONDITIONS THEREOF

Financial assistance will be available to assist recreational, charitable, cultural and religious organisations in Anglesey.

- a) Financial assistance will only be given under one category or allocation.
- b) Grants will not be given towards work on buildings of churches or chapels which are used for worship or for denominational purposes.
- ch) Grant aid should not be given towards the purchase of items of personal equipment and clothing for individuals. This expenditure should be met by the organisation concerned.
- d) No application shall be considered unless the organisation has supplied the relevant accounts and other information which will be required from time to time.
- dd) All applications involving structural work or purchase of equipment must be accompanied by at least two estimates.
- e) No application for assistance shall be considered after the last date for receipt of applications.
- f) Grant awards will be made on the basis of the VAT status of the applicant i.e. where VAT can be reclaimed by the applicants it will not be covered by the grant award. If the applicant is awarded grant funding on the basis of not being VAT registered but subsequent to this they become VAT registered and are able to reclaim the VAT relating to the grant award, this will need to be notified to the Treasurer of the Charitable Trust and the VAT will become repayable to the Charitable Trust.

2. CAPITAL GRANTS

- a) No allocation shall be made under the Allocations for Capital Works unless the sum allocated, together with monies available, is sufficient to complete the scheme within a reasonable period and no later than the period stipulated in (ch) below.
- b) No application for assistance from any allocation shall be considered if the work in respect of which the application is made has already started.
- c) Any request for permission to commence work in advance of submission of an application for an allocation shall not be considered unless it is certified by the appropriate officer of the Council that an emergency clearly exists, and, where permission is granted, this shall not be construed as binding upon the Trust to make an allocation when the application for an allocation is considered.
- ch) The completion of any capital scheme shall be within 4 years from the year of allocation of the grant. Any allocation remaining unused at the end of 4 financial years will be transferred back to the Trust Fund.
- d) Applicants must show that the scheme meets the technical requirements to the satisfaction of the County Council.
- dd) Applicants must ensure that planning permission has been obtained, where necessary.
- e) The work must be open at any time for inspection by the County Council's representatives.
- f) The books and accounts relating to the work must be made available, if required, for examination by the County Council's representatives.

2.1 CAPITAL GRANTS FOR COMMUNITY FACILITIES

- a) These grants are relevant to Community Centres and Village Halls, sports, art, heritage and social facilities to which all members of the community have free access, or that any annual membership or casual fee is realistic.
- b) That there is an assessed financial and community need and local support for the grant requested exists and that the extent and nature of the assistance will be decided by the County Council.
- c) When necessary, that the applicants (the community/body) have proof of tenure on the land or building for which the grant is being requested and that tenure should normally be for a period of not less than 21 years.

In respect of portable accommodation, proof of tenure for seven years will be considered sufficient.

In respect of sports fields, established use of a period of ten years or more will be accepted instead of proof of tenure.

- ch) That the application can show that the project can be financially maintained by the applicant for at least a three year period following the allocation of the grant (taking into account the availability of any grants).
- d) No facility will be granted further financial support within a period of 2 years unless it can be proved that it was phased development identified at the time of the original application for which the County Council gave its approval.
- dd) Schemes in excess of £30,000 are not eligible for consideration but, if appropriate, will be referred to a National Lottery Grant Aid to Large Scheme, if such a funding is established by the County Council.
- e) No similar facility within the community will be grant aided unless there are extenuating circumstances requiring special consideration by the Council.
- f) Applicants must show that there will be optimum community use of the facilities provided.
- ff) Any shortfall in financing the project will be met by the applicants concerned to the satisfaction of the County Council within 12 months of the provisional offer of grant aid being made.
- g) The Council will have the right to withdraw an offer if it deems that the applicants have made no effort to progress the project.
- ng) The facilities will be insured at a level to provide full replacement if damaged or destroyed by fire or any other cause.
- h) Neither the grants nor the facilities grant aided shall be put to any purpose other than those for which the grant was provided without the prior approval of the County Council, and, in the event of change of use or disposal of facilities, the County Council may require repayment of part or all of the grant allocated.
- i) After the project has been approved, no change may be made to it, except in minor detail, without the approval of the County Council and, in the event of any unauthorised changes being made, the County Council may require repayment of part or all of the grant allocated.
- l) Participation in joint development and dual participation schemes shall not proceed without a guaranteed commitment by all other participating authorities. This is particularly relevant where Lottery, European and Assembly applications are being considered or are part of the basis of the application.

- ii) If a grant is provided towards a play area, the relevant Community Council will be required to have the equipment inspected annually, by a qualified person, to ensure that it continues to meet with the Standards. If it does not meet the Standards, the Community Council will be required to carry out the recommended improvements.
