Report of Head of Regulation and Economic Development Service (DFJ)

Recommendation:

Site Visit

The site visit scheduled for the 16th March was deferred at the request of the applicant as discussions regarding the scheme are continuing at present with Natural Resources Wales with a view to agreeing possible measures aimed at mitigating impacts on the nearby Area of Outstanding Natural Beauty. These discussions have taken place and an amended scheme has now been received.

Report of Head of Planning Service (GJ)

Recommendation:

Defer

The applicant has requested that the application is deferred due to ongoing negotiation with the Welsh Assembly Government regarding highway issues.

As the proposals constitutes a departure from a standard application, it will be reviewed by an independent panel of the Welsh Assembly Government, who only meet once a month in Cardiff, who are next meeting on the 12/07/16.

It is considered suitable to defer the application as the outcome of discussions may influence the recommendation of the Local Planning Authority.
