**Recommendation:**

**Defer**

The applicant has requested that the application is deferred due to ongoing negotiation with the Welsh Assembly Government regarding highway issues.

The proposal constitutes a departure from a standard application and was due to be heard by an independent panel of the Welsh Assembly Government in Cardiff on the 12th July, 2016. The application was not presented to the committee as the Welsh Assembly Government requested the departure application be revised. The next independent meeting will be held on the 9th August where it is hoped that the application will be discussed.

It is considered suitable to defer the application as the outcome of discussions may influence the recommendation of the Local Planning Authority.
