Planning Committee: 02/11/2016

Report of Head of Regulation and Economic Development Service (NJ)

Recommendation:

Defer

Reason for Reporting to Committee:

As Members are aware the application was deferred at the Planning and Orders Committee meeting that was held on the 5th October, 2016 to await further supporting details in respect of drainage and highways.

The additional highways information has now been received and the Highway Authority has confirmed that the details are acceptable. However further drainage details are still outstanding and therefore my recommendation is to defer determination of the application.
