Local Work: Wylfa Newydd readiness and its impact on Corporate Capacity.	This project will focus on the Council's capacity and readiness to support the delivery of the Wylfa Newydd project within the context of the Energy Island Programme and the Council's wider strategic objectives. The review will acknowledge progress and notable practice elements, but may also highlight areas of risk that the Council has yet to consider and/or where external support may add value by enhancing the Council's resilience.	Fieldwork complete. Draft report issued March 2018.
Local Government Improvement Study – Integrated Care Fund	The Intermediate Care Fund has recently been renamed as the Integrated Care Fund (ICF). The review will look at the governance arrangements associated with the ICF at both a national level and at a local level through the regional partnership boards.	Project Brief to be issued.

Activity	Scope	Status
Local Government Improvement Study – Using data effectively	This study will primarily focus on the role of local authorities on how effective they are at managing and using data. It will also consider how effective authorities are at accessing and using data held by partners. It is recognised, however, that councils are at very different stages in terms of how they use data. This audit will therefore assess each local authority on their performance identifying how well authorities are currently performing in collecting data, analysing data and using data to support decision-making and the use of resources.	Project Brief issued – June 2017. Survey issued to Isle of Anglesey County Council in Autumn 2017.
Local Government Improvement Study – How well do public bodies provide services to rural communities	This review will focus on assessing how effective public organisations in Wales are in working together to assess needs, identify priorities, deliver and maintain the provision of key operational services to meet the needs of people in rural communities.	Project Brief issued – June 2017. Survey issued to Ynys Môn in Summer 2017. Fieldwork planned for 2018.
