A - Recommendation/s and reason/s

RECOMMENDATIONS AND REASONS

The proposed revised fees and charges for 2020/21 are outlined in the booklet below. Traditionally, these would be implemented from 1 April of the next financial year. However, the Executive is asked to approve early implementation of many of these revised fees and charges to 1 February 2020. This early implementation is part of a number of measures which are needed in response to the current difficult financial situation. Most of the increases in fees and charges proposed from 1 February 2020 were also implemented early last year from 1 February 2019, they have, therefore, been in place for a whole year.

Some charges will continue to be implemented in line with the financial year from 1 April 2020. These tend to be where the fees and charges increases are prescribed by statute. Fees and charges relating to schools will be implemented from 1 September 2020. The Fees and Charges 2020/21 booklet includes separate columns to highlight which changes are effective from 1 February 2020, those which are effective from 1 April 2020 and those which are effective from 1 September 2020.

Income budgets for non-statutory fees and charges for 2020/21 have been increased by an average of 3% across each individual service. This has allowed Service Heads to increase individual fees by more or less than 3% but, overall, services will be required to meet their budgeted income target.

All statutory fees have been increased by the sum set by the approving body, where the increase has been published. Where the fee is shown as TBC, this relates to some Social Care and Housing fees and charges which will be proposed for 1 April 2020 and will be presented to the Executive and Full Council in March 2020.

RECOMMENDATION

The Executive is requested to approve the schedule of Fees and Charges for 2020/21 as outlined in the booklet below.

B - What other options did you consider and why did you reject them and/or opt for this option?

Individual Services considered differing levels of fees in order to achieve the requirement of a 3% increase in the overall level of non-statutory fees for the service.

The Executive has delegated authority for decision making in relation to fees and charges.
