The Executive's Forward Work Programme

Period: March – October 2021

Updated 4 February 2021

The Executive's forward work programme enables both Members of the Council and the public to see what key decisions are likely to be taken by the Executive over the coming months.

Executive decisions may be taken by the Executive acting as a collective body or by individual members of the Executive acting under delegated powers. The forward work programme includes information on the decisions sought, who will make the decisions and who the lead Officers and Portfolio Holders are for each item.

It should be noted, however, that the work programme is a flexible document as not all items requiring a decision will be known that far in advance and some timescales may need to be altered to reflect new priorities etc. The list of items included is therefore reviewed regularly and updates are published monthly.

Reports will need to be submitted from time to time regarding specific property transactions, in accordance with the Asset Management Policy and Procedures. Due to the influence of the external market, it is not possible to determine the timing of reports in advance

The latest version of the Executive's Forward Work Programme – **which is a live document and subject to change** - is set out on the following pages.
