### A - Recommendation/s and reason/s

#### RECOMMENDATIONS AND REASONS

As part of the budget setting process, all of the Council's fees and charges are reviewed.

The Executive has set an objective that all non-statutory fees and charges are increased by an average of 3% across each individual service. This has allowed Service Heads to increase individual fees by more or less than 3% but, overall, the increase across the service equates to a 3% increase.

All statutory fees have been increased by the sum set by the approving body, where the increase has been published. Where the revised charge is not known, the fee is shown as TBC and will be updated once the notification of the new fee is received.

Fee increases in respect of Social Care are reported to the Executive as separate agenda items.

#### RECOMMENDATION

The Executive is requested to approve the schedule of Fees and Charges for 2021/22 as outlined in the booklet below.

### B - What other options did you consider and why did you reject them and/or opt for this option?

Individual Services considered differing levels of fees in order to achieve the requirement of a 3% increase in the overall level of non-statutory fees for the service.

### C - Why is this a decision for the Executive?

The Executive has delegated authority for decision making in relation to fees and charges.

### CH - Is this decision consistent with policy approved by the full Council?

### D - Is this decision within the budget approved by the Council?
