2 - Constituency Activity

Since reopening the Millbank Community Centre, I have been very encouraged by the level of interest and local use. In terms of community facilities, this is an important centre for local residents. I have taken an active interest with other local Members in developments in the South Stack area including parking fees. In addition, I have liaised with Council Officers on various other important issues such as road maintenance, planning and housing issues, and the environment and coastal areas especially in the wake of damage to the Marina in Holyhead.
