## 2 - Constituency Activity

As a Local Member I, along with Councillors John Griffith and Ken Hughes, attend the 6 Community Council meetings on a rota basis. I am also a Governor at Llanfechell Primary School and at Bodedern Secondary School where I am currently the Chair. I represent the Talybolion electorate on a number of different local matters such as Housing, Planning, Waste, Highways, Social Services matters etc. I have attended local events within the Ward.

## 3 - Initiatives and Special Activities

I have welcomed a number of children and young people from schools and different organisations to the Council over the last year so that they can learn more about the Council and local democracy. It is a pleasure to see the young people of Anglesey asking questions and taking an interest in the work of the Council.

## 4 - Learning and Development

Information about the learning and development initiatives I have attended during the past year is available here (information supplied by the Isle of Anglesey County Council): [Training](#)

## 5 - Other Activities and Issues

During the year I have had the opportunity to mentor councillors from other authorities and the Police. I have also addressed a number of events on behalf of the Council, some of these have included the CIPFA and NDA events. I had two full days at the Anglesey Show and received a number of enquiries at the Council stall. I am also proud to chair the Town and Community Council Forum and I would like to thank all the Town and Community Councillors for their hard work on behalf of their communities. I have worked with the Leaders in north Wales over the past year in order to strengthen partnership working in north Wales and to ensure a strong voice for the area. I held a number of meetings with Welsh Government Ministers in order to escalate the concerns and voice of Anglesey.

I would like to thank my friends and family who have supported me again this year, which enables me to do my best in my role.
