## **2 - Constituency Activity**

Played a key part in establishing a temporary foodbank in the War Memorial Hall in Menai Bridge during the first Covid-19 lockdown period and volunteered at the foodbank during the time it was open preparing and delivering food parcels to various individuals and families in and around Menai Bridge and other areas of south Anglesey. Also assisted with collection and delivery of prescriptions and shopping for residents that were shielding due to Covid.

Acted on the concerns of various residents within the ward regarding planning issues, highways issues, antisocial behaviour and numerous other issues of concern during the year.

## **3 - Initiatives and Special Activities**

Menai Bridge Foodbank as detailed above.

## **4 - Learning and Development**

## **5 - Other Activities and Issues**

2020/21 was a year like no other, a year that will stick in the memories of each and every one of us for the rest of our lives. What was at the start of 2020 an unknown virus in a far flung corner of China, came to dominate our lives for the entire year, and continues to do so. Little did we ever think we would live through a period where we were forced to lock ourselves away from family, friends and the wider community.

Despite these challenges, people throughout Aethwy Ward came together in various guises to help out those individuals and families that were more vulnerable than others and I was delighted to see the community spirit shine through throughout the ward during the worst periods of the pandemic and in particular during the lockdowns that we experienced. Thank you to everyone that contributed to the efforts in any way shape of form. Rest assured those efforts have not gone un-noticed by our communities and a big thank you from me to all of you from the bottom of my heart.
