2 - Constituency Activity

I visit the Community Council meetings at Llanddona, Cwm Cadnant and Llangoed, and attend and report back to the Beaumaris Town Council.

I also attend and support numerous committees and initiatives locally through the year, dedicating as much time and effort to help as possible.

I help people daily with the issues they raise which are wide ranging.

3 - Initiatives and Special Activities

Responding to the coronavirus has been a huge challenge and the main focus in recent times, I am extremely proud to have contributed getting a 12 page special Covid edition of the Puffin newsletter out to the whole of the Seiriol ward. This included key information including the Seiriol Good Turn Scheme, and importantly reached all corners and the most vulnerable within our communities at this difficult time.

4 - Learning and Development

Information about the learning and development initiatives I have attended during the past year is available here (information supplied by the Isle of Anglesey County Council): [Training](#)

As I am also in employment as a Business Lecturer I am constantly updating my knowledge and updating on current and new legislation.

I have also attended three members briefing sessions at Anglesey Council which provide key information and learning on various aspects of Council business and key services.

5 - Other Activities and Issues
