4 ANNUAL GRANTS 2013/14

Submitted – report on behalf of the Treasurer in relation to the above.

It was reported that the purpose of the report was to consider applications relevant to the Isle of Anglesey Charitable Trust. Allocations are made annually from the Isle of Anglesey Charitable Trust to the following categories of projects :-

- Community and Sporting Facilities (small capital projects)
- Other Grants (mainly one-off small grants)

At its meeting on 23 April, 2013 the full Charitable Trust confirmed an allocation of £50,000 for the General Grants Committee to allocate to the usual categories.

The relevant Officers from the departments involved have considered and prioritised the applications received as far as possible and consistent with the Trust's decisions, criteria established in previous years and within the amount of funding available for allocation. The Officer's recommendations were shown in Appendices A and B attached to the report. It was

noted that the applications are considered in accordance with the 'Criteria for the Allocation of Grants from the Charitable Trust', a copy of which was attached as Appendix C to the report.

It was noted that there is one application, which were not included within the proposed grants allocation was considered potentially worthy of support. The application was :-

Application No. 11 - Beaumaris and Surrounding Area Leisure Centre: (The running of the centre has recently been transferred from the Isle of Anglesey County Council, along with the gymnasium equipment that they wish to replace).

Members considered that the sum of £2,352 (a grant rate of 80% of the total cost) be allocated to the organisation as it was deemed to be a worthy of support by the Charitable Trust.

1. Clwb Hwyl ar ôl ysgol – Parc y Bont, Llanddaniel	To enable the club to run workshops to entertain the children	(NIL) <i>(Running costs are not eligible for funding and the Trust has not previously supported after school clubs).</i>
2. Groundwork Gogledd Cymru (on behalf of the Benllech Allotment Group).	To purchase growing tunnels and equipment.	(£1,922) <i>(Groundwork Gogledd Cymru has assisted with the delivery of the Benllech Allotment Group. It is understood that the Benllech Allotment Group would have ownership of the equipment).</i>
14. Cemaes Bay Football Club	To provide secure and safe weather protection for spectators and to replace corroded fencing on the north spectator area.	(£4,337) <i>(It is felt that this would enhance both the functionality and safety of the facilities).</i>
17. Beaumaris Town Bowling Club	To renovate the surrounds of the bowling green and to purchase a lawn mower.	<i>(The work to the surrounds of the bowling green would be to replace rotting timbers. Volunteers would therefore just be towards the materials. Similar funding was awarded by the Trust to Llanfairpwll Bowling Club in 2011/12. The lawn mower is 18 years old and is in need of replacing. Comparable quotes not received, £4,150 would be maximum eligible cost).</i> Up to £2,905 (based upon 70% of eligible costs).

It is asserted that the boulder would provide the children with a safe area to climb and within a safe environment).</i>

(NIL) <i>(Part of the application, amounting to £1,500, relates to painting and decorating. Additionally, £1,250 of the costs relates to running costs (insurance, pitch hire etc).</i>

(NIL) <i>(The group have secured funding of £5,250 to date, leaving a funding requirement of £57,958. 32. Gwelfor Community Centre	To replace worn and unsafe tables and chairs and to replace a dated computer.	(£489) <i>(The computer is intended for use in the office and would not, therefore, have direct public benefit. The trust has not</i>
