

ISLE OF ANGLESEY COUNTY COUNCIL	
COMMITTEE:	COUNTY COUNCIL
DATE:	9 DECEMBER 2010
TITLE OF REPORT:	MEMBER DEVELOPMENT PLAN NOVEMBER 2010 – MARCH 2012
PURPOSE OF REPORT:	TO SECURE THE SUPPORT OF THE COUNCIL TO THE NEXT MEMBER DEVELOPMENT PLAN
REPORT BY:	CHAIR OF THE MEMBER DEVELOPMENT WORKING GROUP/MEMBER DEVELOPMENT CHAMPION
LEAD OFFICER:	MIRIAM WILLIAMS, SENIOR DEVELOPMENT OFFICER

The recently established Member Development Working Group (MDWG) supported by the Welsh Local Government Association (WLGA), has developed a Member Development Strategy, which provides an underpinning foundation for the ultimate destination of achieving Charter status, but also provides the Working Group with a reference point and clear focus as the journey to Charter status proceeds.

At its core, the Strategy is about understanding the needs of Members so that they may be better supported in their roles through the provision of appropriate development which is constantly monitored, evaluated and reviewed to ensure that it is both “fit for purpose” and of the right quality.

This year has been unique in terms of the volume of training on offer and it is acknowledged that the commitment some Members are able to make can be difficult in terms of balancing these with their work commitments. The response has generally been quite positive.

With this in mind the MDWG has devised a Draft Training Plan for the period November 2010 to March 2012, to reflect the main areas of development to be offered during this period.

This document will be a “rolling programme” of sessions, which will depend on the individual needs of Members together with those of the Council/other stakeholders but at the same time reflecting the resources available.

The intention is for the plan to make further positive steps towards supporting Members in their roles, improving standards, developing good practices and achieving the Member Development Charter.

RECOMMENDATION:

To adopt and undertake to support the plan at Enclosure 1.
