ISLE OF ANGLESEY COUNTY COUNCIL	
MEETING:	COUNTY COUNCIL
DATE:	30 May 2013
TITLE OF REPORT:	Representation on Outside Bodies
REPORT BY:	Interim Head of Democratic Services
PURPOSE OF REPORT:	To determine the Council's representation on Outside Bodies

1) Introduction

The appointment of Members to serve on outside bodies is a Local Choice function under the Local Authorities Executive Arrangements (Function and Responsibilities) (Wales) Regulations 2001 as amended.

Section 5.7 of the Constitution – (Political Management Protocols) - sets out the arrangements for appointments to outside bodies.

Prior to the May 2013 election an exercise was undertaken by officers in consultation with Group Leaders to review the schedule of outside bodies in view of the reduction in the number of Members to serve on such bodies after the election and consequential impact on workloads.

There are some outside bodies requiring Executive Membership and such appointments are made by the Leader under delegated authority. There are appointments to other outside bodies that need to be made by the Council as per the appendix to this report.

The appointment to outside bodies will normally be for a period of four years up to the date of the next local government election in May 2017 and subject to annual review by the Council and Executive [Section 5.8.4.2 of the Constitution refers]. Members will note that the frequency of meetings differ with some meetings held at least quarterly.

2) Other Issues

Local Outside Bodies:

In relation to an outside body whose activities are confined to the ward, the ward Councillor(s) will normally be appointed and agreed between the relevant ward Councillors.

The multi-member ward protocol adopted by the Council in March 2013 and subsequently issued to all Members after the election includes guidance on Member engagement with local representative groups e.g. community council meetings, local forums etc.

School Governors

The Council's current representatives on school governing bodies will remain in place until 31 August 2013 and new appointments will take effect from 1 September 2013. The Corporate Director Lifelong Learning will address this issue in consultation with Group Leaders having regard to the Council's overall size.

Consultation with Leader and Groups Leaders

As a result of this review the attached schedule of outside bodies will be discussed with the Leader and Group Leaders prior to confirmation by the Council at its adjourned meeting on the 30th May.

3) Recommendations

1. Council to determine the Member(s) representatives to serve on the outside bodies listed on the appendix to this report (except those outside bodies to be determined by the Leader);
2. Where future modifications are required to the Council's representation on outside bodies, authority be given to the Chief Executive to undertake this task in consultation with Group Leaders;
3. In relation to the Council's representation on school governing bodies, authority be given to the Corporate Director Lifelong Learning in consultation with Group Leaders to make such appointments.

ISLE OF ANGLESEY COUNTY COUNCIL	
MEETING:	COUNTY COUNCIL
DATE:	30 May 2013
TITLE OF REPORT:	POLITICAL BALANCE ARRANGEMENTS WITHIN THE COUNCIL
REPORT BY:	INTERIM HEAD OF DEMOCRATIC SERVICES
PURPOSE OF REPORT:	TO ADDRESS THE QUESTION OF POLITICAL BALANCE FOLLOWING THE LOCAL GOVERNMENT ELECTION ON 2nd MAY 2013

1.0 Following the recent changes in the membership of the Political Groups following the Election, the Council needs to review the political balance arrangements on its Committees.

2.0 The Local Government and Housing Act 1989 sets out the main principles governing political balance, which are :

“(a) that not all the seats on the body are allocated to the same political group;

(b) that the majority of the seats on the body is allocated to a particular political group if the number of persons belonging to that group is a majority of the Authority’s membership;

(c) subject to (a) and (b) above, the number of seats on the ordinary committees of a relevant Authority which are allocated to each political group bears the same proportion to the total of all the seats on the ordinary committees of that Authority as is borne by the number of members of that group to the membership of the Authority; and

(d) subject to paragraphs (a) to (c) above, that the number of the seats on the body which are allocated to each political group bears the same proportion to the number of all the seats on that body as is borne by the number of members of that group to the membership of the Authority.”

3.0 Attached is a table setting out the political balance of the Council’s Committees in accordance with the above legislation. The table now shows the three political groups 13, 12, and 3 Members respectively and 2 Members not subject to political balance.

4.0 Consideration has been given to the nature of each Council Committee and the ones that come within the Political Balance requirements and they are grouped as follows:-

- Scrutiny:-
 - Corporate Scrutiny Committee (10 members)
 - Partnership and Regeneration Scrutiny Committee (10 members)
- Regulatory:-
 - Planning and Orders
 - Audit
 - Appointments
 - Appeals
 - Licensing
 - Democratic Services
- Other Committees:-
 - Joint Planning (Local Development Plan)
 - SACRE
 - Standards Committee Appointments
 - SEN
 - Pay and Grading
 - Indemnities Sub-Committee

5.0 The total number of seats to be allocated is 114.

6.0 Clearly, unless the calculation arrives at whole numbers of total seats overall and the whole number of seats on each committee, then fractions will inevitably result, so that exact compliance will be impossible. It is, however, necessary to achieve the best possible compliance on the figures with the principles set out in paragraph 2 above.

7.0 Each political group on the Council can only allocate the seats it receives under the political balance arrangements to its own members and cannot allocate to a Councillor who is not a member of that same political group.

8.0 In accordance with the political management protocols it will be necessary for Group Leaders and the Leader of the Council to meet with the Interim Head of Democratic Services prior to the Council meeting to provide a list of the names of their Group representatives and the Members not subject to political balance on each committee and their proposals for which Councillor will be the Chair and Vice Chair of each committee in readiness for the meetings scheduled immediately after the Council meeting on 30th May 2013 to elect Chairs and Vice Chairs to committees.

9.0 Although not subject to political balance requirements, it is necessary for the Council to appoint 2 Elected Members to serve on the Standards Committee for the duration of the Council.

10.0 Recommendations:-

The Council is requested:

- (i) to note the new appropriate political balance arrangements and the number of seats attributable to each of the Groups under the Local Government and Housing Act 1989, and the number of seats given by custom and practice to the Members not subject to political balance;
- (ii) to agree the whole numbers of seats to be allocated to the Members not subject to political balance and that the Group Leaders and the Leader of the Council shall determine the allocation of those seats to those Members (by agreement where possible);
- (iii) to confirm the names of Members to sit on the under mentioned committees in readiness for the meetings to elect Chairs and Vice Chairs to be held immediately after this meeting:
 - Partnership and Regeneration Scrutiny Committee
 - Corporate Scrutiny Committee
 - Audit Committee
 - Planning and Orders Committee
 - Licensing Committee
- (iv) in relation to other Committees detailed in the appendix to this report that Group Leaders to provide details of membership to the Committee Services Manager as soon as possible;
- (v) to appoint two Members to serve on the Standards Committee for the duration of the Council in accordance with para. 9 above.
