Although the grant was awarded for the financial years 2014/15, 2015/16, 2016/17, 2017/18 and 2018/19, only £7,500 of the £30k awarded was paid over to the Anglesey Young Farmers Association in 2014/15. As a result, £22,500 will be paid to the Anglesey Young Farmers Association in 2019/20. At its meeting on 23 January, 2019 the Trust resolved that the application from Anglesey Young Farmers Association should be dealt with outside the annual large grant process. 9 GRANT APPLICATION - MÔNFM

- Submitted – a report by the Treasurer Treasurer as regards to an application for grant funding by MônFM.

The Treasurer reported that MônFM submitted a large grant application to be considered by the Regeneration Committee at its meeting held on 13 February, 2019 and its subsequent meeting on 14 March, 2019. At its meeting on 14 March, 2019 the Regeneration Committee considered that as MônFM provides a service to all the residents of Anglesey and may be worthy of the Trust’s support, but that the funding requested was a considerable proportion of the funding available and, if the application was supported, it would limit the funding available to support other applications. In addition, the application was for a 3 year period, whilst the larger grants application process assumes that grants are for one year only. The Committee, therefore, resolved to forward the application to the full Charitable Trust as an application outside the normal large grant process, in line with the decision taken regarding the treatment of applications from Urdd Gobaith Cymru and Anglesey Young Farmers Association.

It was noted that the grant application was for the following sums:-

2019/20 - £50,826
2020/21 - £47,475
2021/22 - £19,344

Total - £117,645

The Chair welcomed representatives from MônFM to the meeting. The representatives from the MônFM gave a detail presentation to the full Trust on the grant application.

Following deliberations it was **RESOLVED on the casting vote of the Chair:-**

- **To approve the grant application for the period 2019/20 of £50,826;**
- **That the ‘Cymdeithas Elusennol Ynys Môn/The Isle of Anglesey Charitable Association’ consider whether to support the grant funding for 2020/21 and 2021/22.**

A further meeting of the Regeneration Committee was held on 14 March, 2019 where the applications were considered with the additional information and the level of funding that should be recommended for approval was agreed. The Treasurer outlined the reasons as to why the 12 applications received were not supported as was outlined within Appendix 3 of the report. 14 GOVERNANCE OF THE ISLE OF ANGLESEY CHARITABLE TRUST (IOACT) AND THE ISLE OF ANGLESEY CHARITABLE ASSOCIATION

Submitted – a report by the Secretary in relation to the above.

The Legal Service Manager reported that the Isle of Anglesey Charitable Trust Officers are now directing Browne Jacobson to prepare the deed which will transfer the assets and it is intended to complete the transfer in May or June. The authority to make the decision was delegated to the Secretary as part of the decisions of the Isle of Anglesey Charitable Trust on 27th June, 2018. Implementing the delegation is conditional on consultation with the Chair and Vice-Chair of the full Charitable Trust.

It was RESOLVED to note the intention to transfer the assets of the Isle of Anglesey Charitable Trust to the Isle of Anglesey Charitable Association within the next few weeks in line with the decision of the Isle of Anglesey Charitable Trust dated 27th June, 2018.

16 ANGLESEY CHARITABLE TRUST (ACT), ESTABLISHING THE CIO, COMMUNITY WELL-BEING AND NON-STATUTORY SERVICES

Submitted – a report by the Secretary in relation to the above.

The Secretary reported that the report highlights some of the key issues that need to be considered as part of the transfer from the Anglesey Charitable Trust to the Charitable Incorporated Organisation as follows :-

- Grant funding and developing community based well-being priorities;
- Using the CIO's powers to provide support for services that directly contribute to improving citizens' well-being;
- Administrative aspects.

The Secretary further said that it is important that a high-level place-shaping plan (the Plan) is adopted for the Island designed to develop a 'community well-being and resilience'. In the short term, it is suggested that any grant applications needs to be linked to the Plan.

It was further noted that the assets of the Isle of Anglesey Charitable Trust will transfer into the ownership of Charitable Incorporated Organisation (CIO) (Y Gymdeithas) as a separate registered charitable legal body. Once the transfer of assets has taken place, it will be the trustees of 'Y Gymdeithas' which will make all future decision relating to the charitable funds. As a result, it is suggested that 'Y Gymdeithas' will want to establish its own arrangements.

The Secretary said that the role of the Secretary needs to be specific and separated from the role of any Officer associated with the Council and thus detailed in a manner that should reflect this expectation.

Following detailed deliberations it was **RESOLVED:-**

- **To recommend to the Charitable Incorporated Organisation (CIO) (Y Gymdeithas) that it adopts a high-level place-shaping plan (the Plan) for the Island designed to develop 'community well-being and resilience'. In the short term, ensure that any grant applications are linked to the Plan – this will lead to applications that are more strategic in nature and designed to improve community well-being. In the longer term, the Plan should be used to develop a place-shaping plan that identifies the 'well-being' and sustainability priorities for each community area;**
- **To outline possible CIO activities that would provide support for community based services and ensure that specialist advice is sought to ensure their legality;**
- **To make suitable arrangements to ensure the provision of high quality financial and legal support;**
- **To separate the role of Secretary from any Officer associated with the Council and to develop a detailed job description that reflect this and the expectations that need to be realised.**
