The Chair welcomed members of the Anglesey and Gwynedd SACREs to the Agreed Syllabus Conference.

The RE Advisor for the Anglesey SACRE reported that the purpose of the Conference is to determine the Agreed Syllabus for Religion, Values and Ethics. It was noted that the potential Agreed Syllabus is the RVE Guidance from Welsh Government, which will be decided locally, and will establish what should be taught in RVE in schools in Wales. It was noted that each Conference has a legal duty to

review the Agreed Syllabus every five years, and recommend an appropriate syllabus to the local authority for adoption.

The new curriculum will be implemented for pupils up to Year 7 in September 2022, and will be extended on a yearly basis up to Year 11 in 2026.

The RE Advisor gave an in depth PowerPoint presentation on RVE in the Curriculum for Wales, and gave a summary of the following:-

- Legislation and Guidance for the Agreed Syllabus;
- 5 Statements of Humanities Area of Learning and Experience – What Matters.
- The 4 purposes of every school's curriculum.

It was noted that before an agreement can be reached, the SACRE members from Anglesey and Gwynedd will each need to form the following three groups to consider the syllabus, and reach a conclusion:-

Group A - a group to represent religious and non-religious denominations;
Group B - a group to represent teachers;
Group C - a group to represent the local authority.

Mr Phil Lord (GwE) reported that only one person from each group will be allowed to vote, and agreement must be reached unanimously by all three groups before the new Agreed Syllabus can be presented for adoption by the local authority. Should a decision not be reached, then each individual authority will have to decide its own syllabus, as Welsh Government has authority to intervene and make that decision for the local Education Authority.

Members of the Anglesey SACRE's group A, B and C left the meeting to deliberate in private session. It was concluded that an unanimous decision had been reached by the three groups from Anglesey to accept the Agreed Syllabus for the local authority to adopt.

It was later confirmed that following deliberation, the Gwynedd SACRE members also agreed to adopt the Agreed Syllabus for schools in Gwynedd.

The meeting concluded at 14.50 pm
