2. NOTICE OF MOTION

- To receive the following Notice of Motion by Councillor Jeff Evans: -

'We as a Group, Annibynwyr Mon call on Anglesey County Council to take all measures possible to apply pressure on Welsh Government to re-open the Menai Suspension Bridge as a matter of urgency.

This closure took effect without prior consultation or notification with the County Council.'

- To receive the following Notice of Motion by Councillor Sonia Williams: -

'The Council is seriously concerned about the lack of resilience of the two current crossings over the Menai Straits which has once again been highlighted following the recent complete closure of Menai Suspension Bridge which has left one crossing only.

We are also expressing disappointment in Welsh Government in relation to their lack of holding contractors to account and their unwillingness to consider the links between Anglesey and the mainland and the effects on the residents and communities of the Island.

We ask Welsh Government to step in to offer support to the businesses of the town of Menai Bridge, who have suffered a great deal as a result of the problems with the Bridge over the last 3 years. The hospitality businesses especially have suffered following the overnight closure of the bridge.'
