

ISLE OF ANGLESEY CHARITABLE TRUST

COMMITTEE:	GENERAL GRANTS COMMITTEE
DATE:	11 JULY 2018
TITLE OF REPORT:	ANNUAL GRANTS 2018/19
PURPOSE OF REPORT:	TO OUTLINE THE GRANT APPLICATIONS FOR 2018/19
REPORT BY:	TREASURER – ISLE OF ANGLESEY CHARITABLE TRUST
ACTION:	TO AGREE THE ALLOCATION OF GRANTS FOR 2018/19

1. In March this year, adverts were placed in the local press, the Council's website and the Council's social media for grant applications from voluntary and other organisations. A standard application form is used for the Isle of Anglesey Charitable Trust and the Anglesey Welsh Church Fund. The closing date for applications for the 2018/19 financial year was 11 May 2018.
2. When the applications are received by the County Council's Resources Function, they are processed and then passed on to the relevant service and directed to the relevant fund.
3. The purpose of this report is to consider those applications relevant to the Isle of Anglesey Charitable Trust. Applications to the Welsh Church Fund will be considered by the Isle of Anglesey County Council and not by this Trust.
4. Allocations are made annually from this Committee to the following categories of projects:-
Community and Sporting Facilities (small capital projects)
Other Grants (mainly one-off small grants)
5. At its meeting on 24 January 2018, the full Trust resolved to delegate a budget of £125,000 to this Committee for the annual grants programme. The full Trust also resolved in its meeting on 13 September 2016 to delegate authority to the General Grants Committee to approve Small Grants applications and, therefore, the full Charitable Trust will only need to note the minutes of the General Grant Committee thereafter. The grant limit in respect of Community and Sporting Facilities Grants is £8,000 and up to 70% of the eligible cost. However, in its meeting on the 21 April 2011, the full Trust resolved to provide flexibility to this Committee to increase the upper limit and percentage rate of support in light of applications received.
6. The relevant officers from within the Isle of Anglesey County Council have considered and prioritised the applications received, as far as possible and consistent with the Trust's decisions and criteria established in previous years, however, the overall decision for the grant award will be made by this Committee. The officers' recommendations is shown in Appendix A of this report. A joint referencing system has been employed for both grants put forward to this Committee and for grant applications to the Welsh Church Fund; any gaps in the reference numbers will be due to those grants having been put forward to the Welsh Church Fund rather than this Trust.
7. These applications are considered in accordance to the 'Criteria for the Allocation of Grants from the Isle of Anglesey Charitable Trust', a copy of which is enclosed in Appendix C.

8. Appendix A deals with grants under the usual 'Community and Sporting Facilities' heading. The recommendation is to support eligible grants at a rate of 70% of eligible cost, subject to a maximum of £8,000. These, in total, would cost £83,227 if officers' recommendations are followed. A further £10,050 of applications is for this Committee to decide.
9. In its meeting on 14 February 2018, the Regeneration Committee considered a number of Larger Grants applications, and they resolved to forward one of these onto this Committee for consideration. The applications can be seen in Appendix B and, if accepted it would total £8,000. The total budget for 2018/19, therefore, would be £101,277.
10. Following the above recommendations would spend a total of £101,277.
