I am a member of the Isle of Anglesey Charitable Trust and attended 5 out of the 6 meetings arranged. I am also a member of the General Grants committee of the Trust and did not attend the 1 meeting arranged.

<b>I represent the Council on the following outside bodies:</b>	<b>Number of meetings arranged</b>	<b>Number attended</b>
North Wales Community Health Council	5	3
Governor – Llanfawr Primary School	3	2

### 2 - Constituency Activity

I have attended several surgeries in Holyhead including joint surgeries with Albert Owen MP, I try where possible to work closely with my two fellow councillors on the Caergybi Ward and where there is a joint interest to work with councillors from other wards, in particular Ynys Cybi.

Obviously I cannot go into detail because of confidentiality and numbers involved but I have assisted many constituents with issues that affect them personally and I always

endeavour to get back to them with an answer, even if it's not the answer they wanted to hear.

### 3 - Initiatives and Special Activities

Following the unprecedented disaster in the port of Holyhead from Storm Emma I have met with people who have lost boats and livelihoods from the storm and have also attended a meeting of the Holyhead port users group which was set up to assist individuals and groups affected by the storm.

I have also used my trade Union background, knowledge and contacts to work closely with the council and fellow councillors in setting up a group that will work together on a major initiative that can only benefit our island, this is in the early stages at the moment

### 5 - Other Activities and Issues

I would say over the winter months one of the pressing concerns of motorists, cyclists and pedestrians in Holyhead was the number of potholes that appeared, working closely with Darren Owen of Highways, of those potholes that were reported to me or which I noticed myself Darren dealt with them all as soon as possible, quite often the next day.
