1.0 Introduction

- 1.1 Earlier this year the Boundary Commission for Wales announced the start of the 2023 review of Parliamentary Constituencies in Wales, in accordance with the provisions of the Parliamentary Constituencies Act 1986. Initial proposals have recently been published for consultation. The closing date for observations is the 3 November.

There are presently 40 constituencies in Wales and proposals recommend reducing the number of constituencies to 32. The constituency of Ynys Môn is not subject to any changes and is retained. No changes are proposed also in relation to the name of the constituency. A copy of the Boundary Commission's report is available on the following link: <https://bcomm-wales.gov.uk/page/2023-parliamentary-review-initial-proposals>

Members will recall that the Council presented a case to safeguard the constituency of Ynys Môn in 2017, as part of the last review.

2.0 Recommendation

- 2.1 To welcome the proposals for the Parliamentary constituency of Ynys Môn as set out in the consultation document, and recommend accordingly to the County Council.
