A – Recommendation/s and reason/s

In accordance with its Constitution, the Council is required to publish a forward work programme and to update it regularly. The Executive's Forward Work Programme is published each month to enable both members of the Council and the public to see what key decisions are likely to be taken over the coming months.

The Executive is requested to:

confirm the attached updated work programme which covers **February – September 2023**;

identify any matters for specific input and consultation with the Council's Scrutiny Committees;

note that the forward work programme is updated monthly and submitted as a standing monthly item to the Executive.

B – What other options did you consider and why did you reject them and/or opt for this option?

-

C – Why is this a decision for the Executive?

The approval of the Executive is sought before each update is published to strengthen accountability and forward planning arrangements.

Ch – Is this decision consistent with policy approved by the full Council?

Yes.

D – Is this decision within the budget approved by the Council?

Not applicable.

Dd – Assessing the potential impact (if relevant):

1	How does this decision impact on our long term needs as an Island?	Not relevant.
2	Is this a decision which it is envisaged will prevent future costs / dependencies on the Authority? If so, how?	
3	Have we been working collaboratively with other organisations to come to this decision? If so, please advise whom.	
4	Have Anglesey citizens played a part in drafting this way forward, including those directly affected by the decision? Please explain how.	
5	Note any potential impact that this decision would have on the groups protected under the Equality Act 2010.	
6	If this is a strategic decision, note any potential impact that the decision would have on those experiencing socio-economic disadvantage.	
7	Note any potential impact that this decision would have on opportunities for people to use the Welsh language and on treating the Welsh language no less favourably than the English language.	

E – Who did you consult?		What did they say?

The Executive's Forward Work Programme

Period: February – September 2023

Updated 11 January 2023

The Executive's forward work programme enables both Members of the Council and the public to see what key decisions are likely to be taken by the Executive over the coming months.

Executive decisions may be taken by the Executive acting as a collective body or by individual members of the Executive acting under delegated powers. The forward work programme includes information on the decisions sought, who will make the decisions and who the lead Officers and Portfolio Holders are for each item.

It should be noted, however, that the work programme is a flexible document as not all items requiring a decision will be known that far in advance and some timescales may need to be altered to reflect new priorities etc. The list of items included is therefore reviewed regularly and updates are published monthly.

Reports will need to be submitted from time to time regarding specific property transactions, in accordance with the Asset Management Policy and Procedures. Due to the influence of the external market, it is not possible to determine the timing of reports in advance

The latest version of the Executive's Forward Work Programme – **which is a live document and subject to change** - is set out on the following pages.
