MEETING:	DEMOCRATIC SERVICES COMMITTEE
DATE:	29 th NOVEMBER 2023
TITLE OF REPORT :	MEMBER DEVELOPMENT
REPORT BY :	HUMAN RESOURCES TRAINING OFFICER
CONTACT OFFICER :	L. AMY JONES (extension 2505)
PURPOSE OF REPORT :	TO PROVIDE AN UPDATE ON THE 2023/2024 ELECTED MEMBER TRAINING AND DEVELOPMENT PLAN

1. INTRODUCTION

The purpose of the report is to provide an update on the 2023/2024 Elected Member Training and Development plan to the Democratic Services Committee.

2. UPDATE ON 2023-2024 DEVELOPMENT PLAN

As confirmed previously the plan for 2023-24 (Appendix 1) has been divided into the following specific headings; Mandatory training; General; Health and Wellbeing; On Request and E-Learning Modules. With these specific headings in mind, we provide below an update on training delivery from April 2023 to date.

A total of 27 training and development opportunities have been offered to Elected Members by the Human Resource Training Team. Full details attached in appendix 2.

See below an update on training deemed to be mandatory (as outlined by Democratic Services), attendance levels and information on future actions;

Code of Conduct	35/35	-
Health & Safety	15/35	Further sessions arranged in February 2024.
Equality, Diversity & Inclusion	31/35	Session available in February 2024
GDPR / Data Protection	29/35	Able to attend Staff sessions when dates are available.
Cyber Security	33/35	Cyber security video to be shared.
Safeguarding	24/35	Further session arranged late November 2023

3. COMMUNICATION

The Training team continues to work closely with Democratic services and relevant Officers within the authority to ensure the plan addresses the Elected Member's needs and continues to evolve as required.

Invitations to attend training continue to be shared through the usual arrangements via the 'CefnogaethAelodau' email address in addition to invitations via direct electronic calendar appointments.

Quarterly reports are shared with Democratic Services which are then shared with Group leaders. These reports will include details of Mandatory training and all other completed training within that specific quarter.

Further work has been undertaken to provide information about forthcoming training events in a format that is easier to follow. This has recently been shared with Elected Members (Appendix 3) with hard copies also available to view in the Member's lounge.

4. METHODS OF DELIVERY

Delivery of sessions is now, in the main, taking place as classroom sessions, though the option to deliver online sessions is still being taken into consideration. The method of delivery will be dependant on the subject area in conjunction with what method is offered by the training provider.

Elected Members continue to be offered the choice of attending a session within a normal working day or an early evening session to ensure the commitments of the Elected Members are considered along with maximising attendance on sessions.

Where possible training through the medium of Welsh is sought after and a translation service is arranged for those wishing to listen through the medium of English.

5. IN SUMMARY

The plan which is presented is an evolving document and will continue to be reviewed and revised as required e.g. following changes in Legislation; procedures; external matters etc. This will ensure that we are able to respond to the identified needs and ensure timely delivery.

6. RECOMMENDATION

- To note of the content of the report.
