1. BACKGROUND

1.1 Under the provisions of the Local Government and Elections (Wales) Act 2021, every Town and Community Council is required to produce an annual training plan for both Councillors and staff. Under this new legislative provision, the first Training Plan was required to be published by each Town and Community Council within 6 months of the Local Government Election on 5 May 2022.

1.2 As part of its work in ensuring high levels of behaviour and conduct by members of the Town and Community Councils, the Standards Committee is interested in the training being offered and the uptake of such training by those members.

2. PREVIOUS REQUEST MADE BY THE STANDARDS COMMITTEE

2.1 In its Newsletter to the Town and Community Councils in March 2023, the Standards Committee requested that the Town and Community Councils provided a copy of their current Training Plans to the Committee. A copy of each Town and Community Council's Training Plan was requested by 31 May 2023. The Newsletter explained that the responses from the Town and Community Councils would be discussed at the Standards Committee's meeting in June 2023.

2.2 The responses received from the Town and Community Councils were discussed at the [Standards Committee's meeting in June 2023](#) (item 13). The Standards Committee was disappointed that only five of the forty Town and Community Councils had responded.

3. FURTHER REQUEST MADE BY THE STANDARDS COMMITTEE

3.1 The Standards Committee decided at its June meeting to correspond further with the Town and Community Councils in relation to this matter.

3.2 A further request was made in the Standards Committee's Newsletter for the Town and Community Councils for them to confirm they had adopted a Training Plan – but there was no need for them to forward a copy of the same to the Committee.

3.3 Further correspondence was sent to the Town and Community Councils on 13 November with a request for responses by 30 November 2023.

3.4 **Enclosure 1** details the responses that have been received from the Town and Community Councils. The five responses previously received are included; the new responses received are shown in green. A total of 25 responses, out of a possible 40, have now been received.

4. RECOMMENDATION

4.1 The Standards Committee is asked to note the information detailed with regard to the Town and Community Councils in **Enclosure 1**.
