The Executive's Forward Work Programme

Period: October 2026 – May 2027

This forward work programme lists all the decisions that the Executive intends to take and what business the scrutiny committees will be considering as well as when those matters will be discussed. It also lists any recommendations the Executive intends to make regarding decisions which must be made by the full Council.

Executive decisions may be taken by the Executive as a collective body or by individual members of the Executive acting under delegated powers.

The forward work programme is reviewed on a regular basis and monthly updates are published. The fact that a decision has not been included in the forward work programme does not prevent urgent or unforeseen matters being considered.
