REPORT AUTHOR: Tel: E-mail:	Scrutiny Officer 01248752039 gwrce@anglesey.gov.uk

1.0 RECOMMENDATION

1.1 The Committee is requested to approve, revise or amend its Work Programme as it deems appropriate.

2.0 REASONS.

2.1 The purpose of the work programme is to identify the Committee priorities in the current municipal year (May 2014 to May 2015). The Welsh Government considers that people should be informed about the Council's scrutiny function and planned work. The work programme will be included on the Council's scrutiny web page together with additional information regarding scrutiny.

2.2 It should be noted, that once the work programme is agreed, it will be reported to each meeting of the Committee (for the purpose of reviewing its content, considering the inclusion of new items or withdrawal / adjournment of existing items, and planning ahead to the next meeting). This will ensure that the work programme is kept updated and is publicly available as required by the Welsh Government.

2.3 As with all Scrutiny Committees the work undertaken should be of benefit to the Council. The purpose of forward work planning is:

- To identify issues of concern or ways in which scrutiny can contribute to the overall aims of the Council.
- To agree which Scrutiny Committee activity is best suited to dealing with each issue (e.g. report to Committee, Investigation by Panel or ongoing progress reports.)
- To plan how work can be carried out within available resources and within reasonable timescales.

2.4 Isle of Anglesey County Council Constitution requires that a Scrutiny Committee will be responsible for setting its own work programme. It should set its work programme in consultation with all Committee members and, if possible, in consultation with relevant officers. The Committee should also consider referrals from the Executive, the Council or other Committees.
