THE EXECUTIVE'S FORWARD WORK PROGRAMME

Period: January – August 2015

Updated: 20 November 2014

The Executive's forward work programme enables both Members of the Council and the public to see what key decisions are likely to be taken by the Executive over the coming months. It includes information on the decisions sought and who the lead Officers and Portfolio Holders are for each item.

The Executive's draft Forward Work Programme for the period **January – August 2015** is outlined on the following pages.

It should be noted, however, that the work programme is a flexible document as not all items requiring a decision will be known that far in advance and some timescales may need to be altered to reflect new priorities etc. The list of items included is therefore reviewed regularly.

Some matters identified in the forward work programme may be delegated to individual portfolio holders for approval.

Reports will be required to be submitted from time to time regarding specific property transactions, in accordance with the Asset Management Policy and Procedures. Due to the influence of the external market, it is not possible to determine the timing of reports in advance.
